Corporal Jonathan Rodriguez  
3d Battalion 6th Marines  
2d Marine Division  
Camp Lejeune, NC 28542

Dear Corporal Rodriguez:

SUBJECT: YOUR FREEDOM OF INFORMATION ACT CASE MCIEAST-MCB CAMLEJ2014F0313

This letter is in response to your Freedom of Information Act (FOIA) request of May 7, 2014, which was received on May 7, 2014. In your request you sought a copy of a Military Police Report.

We have categorized you as an "Other Requester" for the purpose of assessing FOIA processing fees. As such, you are entitled to 2 hours of search and 100 pages of duplication free of charge, but are responsible for payment of any search and/or duplication fees exceeding your free entitlement. In this instance, since your search and/or duplication fees were less than your free entitlement, there is no charge for the processing of your request.

The record identified was located in a Privacy Act Systems of Records, Notice (SORN) number N05520-4, NCIS Investigative Files System published in the Federal Register on October 13, 2009 (74FR52468). A review of the identified document revealed that we are unable to grant you first-party access to these files under the provisions of the Privacy Act of 1974 (5 U.S.C. 552, as amended). In order to afford you the maximum information allowed by law, your request has been processed pursuant to the provisions established by the Freedom of Information Act (FOIA) (5 U.S.C. 552, as amended).

We have reviewed your request for release determination. Review of the identified document reveals that they are partially exempt from disclosure under exemption 5 U.S.C. 552 (b)(7)(c), records which if released, could reasonably be expected to constitute an unwarranted invasion of personal privacy. This information may include names and any personal information to law enforcement personnel, witness statements, names and work addresses of additional personnel. A copy of the releasable portions is enclosed.

Because your request has been partially denied, you are advised of your right to appeal this determination, in writing, to the Judge Advocate General (Code 14), 1322 Patterson Avenue SE, Suite 3000, Washington Navy Yard, Washington, DC 20374-5066.

Your appeal must be postmarked within 60 calendar days from the date of this letter to be considered. A statement as to why your appeal should be granted should be included and the enclosed copy of this letter attached. Both the appeal letter and the envelope should bear the notation, "Freedom of Information Act Appeal."

Any questions concerning this matter should be directed to Julie Drake, at telephone number (910) 451-4452.

I am the official responsible for the partial denial of your request.

## SECTION IX. NARRATIVE

At 2008, 07 Nov 13, I was notified via dispatch of a Larceny of Government Property that occurred at RM 1, TC 1062, Camp Gelger, NC 28542.

At 2015, 07 Nov 13, I made contact with RODRIGUEZ, who stated between 0630, 04 Nov 13, and 07 Nov 1700, unknown person(s) by unknown means stole several CIF gear items, which included a bivy cover, an ISO mat, and a poncho liner. RODRIGUEZ also stated some personal field gear items were missing. These were a Rhodesian load bearing vest, and ten (10) 5.56 USGI magazines. RODRIGUEZ stated he had secured his room on 04 Nov 13 to include the window and the door to the shared bathroom. He stated he closed the wall locker where the items were kept but did not secure it. Upon his return on the 07 Nov 13, RODRIGUEZ stated that his front door was secured but his bathroom door was not. He also noticed his wall locker open with the items missing. Rodriguez stated that his roommates were with him during the training exercise and was unable to provide any other leads, suspects, or tools of the crime.

At 2110, 07 Nov 13, I canvassed the area for possible witnesses and signs of forced entry, which met with negative findings. Other residents at the AITB building stated gear had been previously stolen in several occasions but no suspects had been found. A check in CLEOC confirmed several reports relating missing gear or personal items in the surrounding area within this year (CCN#01403, 01643, 01644, 01646). A notification to CID was conducted in light of the several reports that have been filed. A follow up with SOI Facilities Chief will be conducted regarding access to the AITB buildings.

Total value of stolen government property: \$343.00

Total value of stolen personal property: UNKNOWN

I, Rodriguez Jonathan cpl USMC 0178 JR, make the following  
free and voluntary statement to OPC (b) (7)(C)  
whom I know to be a Military police JR

I make this statement of my own free will and without any threats or promises extended to me. I fully understand that  
this statement is given concerning my knowledge of Missing gear and personal items.

ON MONDAY, 2013/10/4 at 06:30 I left my room insuring that my doors were locked  
and my windows were lock, as well as the door that DIVIDES the rooms. Then I left to  
go to the field from Monday to Wednesday. ON WEDNESDAY, 2013/10/6, I got back at 20:00  
to the AIC school house building where I slept in till THURSDAY morning. I did not arrive  
to my room until 17:00 on THURSDAY, 2013/10/7. When I came to my room and went inside,  
I noticed my Bathroom door, which is the same door that DIVIDES the rooms, that door  
was wide open, even though I had it locked before I left Monday, 2013/10/4. I looked towards  
my wall locker and noticed it open as well. The wall lockers were closed shut before I left  
but not locked. I noticed my gear was missing from the top shelf inside my wall locker  
around 17:06 and that when I started to look through my Kilt Bag that was also in there.  
I found out looking through my Kilt Bag that my Poncho liner and some other gear of  
mine were also missing. It is unknown at how the intruder got inside because my window  
locks were still locked and my door to my room was locked when I got there. I have  
noticed some random vehicles parked on the other buildings across from TC 1062 and the  
vehicles are there some days, and some days there are not. I do not remember the days.  
In my opinion I believe the thief has access to a key to the rooms here. JR  
The following questions were asked by military police.

Q. Can you describe the items missing?

- A. - Poncho Liner - green camo  
- ISO MAT - TAN (Foldable)  
- Redishan CMARSOC Duct gear) - \$300 TAN Rhodisam - small  
- BEIVY SAC - TAN - small  
- 10 Magazine (M16) (Brown Tip) Gray \$200

Q. Do you suspect on anyone in particular?

A. Believed suspect is some body who may possibly know the schedule of the students  
going to the cove here at GIEGER.

Q. Is there anything else you would like to add?

A. There should be a much higher security system like cameras and these rooms  
should be better secured to where the windows don't need wood planks to hold them  
shut.
